National Box Tops for Education Week is coming up!

The first annual National Box Tops for Education Week is coming up, September 24th - 30th. The goal is for the community to come together for a HUGE neighborhood Box Tops clipping drive and collect as many Box Tops as we can in one week.

Look for a Box Tops collection sheet to come home with your student this week. Box Tops are valued at 10 cents each, and they add up quickly! For the last two years, Box Tops have purchased our student agendas, which used to be on our school supply list. Our school goal this year is 10,000 Box Tops, approximately 41 per student. All students who reach their goal will be honored on a Box Top Wall of Fame! The classes able to reach their goals will have a special reward, as well. If you have any questions, feel free to contact Jody Harp, Box Top Coordinator, jharp@cayuse.k12.mt.us. Also, for a complete list of brands and products that have Box Tops for Education labels, visit the Box Tops website, www.BTFE.com.

Publishing Students Interview Staff Members

By: Colby Morgan and Joey Thatcher

Publishing students interviewed Cayuse Prairie staff members about their jobs. Mrs. Harp is an administrative assistant. She helps Mrs. Piazzola and Mrs. Mumby with office jobs. Mrs. Harp has also just started working at the school full-time this year. She enjoys spending time with the kids at her job. If she could change anything about her job, then she would like to spend more time with the Publishing class. She likes to help with the yearbook. If Mrs. Harp had to work anywhere else, she would be a librarian at the Library of Congress in Washington D.C. In her spare time, Mrs. Harp likes to read, scrapbook, and participate with her childrens' activities.

A Message from Mr. Ahles:

Please mark your calendars to join us on
