Horticulture Class Dinner

Horticulture class invited their families and homeroom teachers to a scrumptious dinner. The students prepared different soups, salad, cornbread and apple crisp to all dinner guests. Many of the ingredients used were grown in the Cayuse Prairie garden, or in the Cayuse greenhouse. What a marvelous treat these students presented under the leadership of Mrs. Debbie Kauffman. Thank you Horticulture class! Thank you to all guests for attending the dinner!

2018 Bigfork Little Guy Wrestling starts February 13th.
